NEW BRUNSWICK

New Brunswick has a world-wide reputation as a consistent supplier of high quality virus-tested seed potatoes. This reputation has been achieved through the co-ordinated efforts of growers, industry representatives, Provincial and Federal Governments.

The Potato Disease Eradication Act provides the legislative authority to eradicate named potato diseases from the Province. **All potato production, including home gardens**, must be grown from Certified or higher class seed. Inspection of growers' premises and disinfection of storage and equipment may be required to assure disease eradication.

SEED POTATO CERTIFICATION IN CANADA

The Plant Health Directorate of Agriculture Canada is responsible for inspection and certification of seed potatoes in Canada. The limited generation program begins with the Pre-Elite Class produced from disease-free greenhouse tubers or transplants planted directly in the field. From this first field generation, the seed advances a class or more each year, if it meets the inspection standards for that class.

CLASS	FIELD INSPECTIONS	DISEASE TOLERANCE
Pre-Elite	3	0.00%
Elite 1	3	0.00%
Elite 2	3	0.00%
Elite 3	3	0.25%
Elite 4	2	0.25%
Foundation	2	0.50%
Certified	2	2.00%
